

August 2026

INSTALLATION OF SITE OFFICE

10 August 2026 for approximately two weeks

Installation of an interim site office at the New Mandurah Hospital project.

What we are doing

- Installing an interim site office at the new Mandurah Hospital project which will be located in the existing hospital Western car park (refer to map overleaf).
- Work will include the delivery, unloading and assembly of seven site offices and amenity units.
- A mobile crane will be in operation along with associated construction work.
- The installation will take approximately two weeks to complete.
- The interim site office will be in use until early 2027 and followed by the establishment of a permanent site office.

When

- Commencing 10 August 2026 for approximately two weeks.

Where

- Peel Heath Campus, 110 Lakes Rd, Mandurah WA 6210 (refer to map overleaf)

What to expect

- An increase in heavy vehicles entering and exiting the site.
- A traffic management plan will be in operation to manage the entry and exit of oversized vehicles.
- Nearby residents and hospital staff may experience intermittent noise during the installation period.
- Site office operating hours are 7am to 7pm, and an increase in vehicle traffic can be expected at the site office during these hours.
- Directional lighting will be in place.
